Feedback was received from the meeting and following this two letters which had been received were read out which complained about what Cllr Emyr Rees had said. Emyr’s side of the story was also heard, and it was confirmed that he was there as an individual and not as a representative of the Community Council and that this had been stated clearly before the meeting started to the Vice-Chairman (Cllr Alwena Williams) and that the register taken reflected that he was there as an individual and as such it was his personal opinion which was expressed.</i></p> <p>dd.
